

Points now available for participation in the *Veterans' MATES* program

Pharmaceutical
Society of Australia

Pharmaceutical Society of Australia (PSA)

Continuing Professional Development and Practice Improvement (CPD&PI) Program

- This activity has been accredited by the Pharmaceutical Society of Australia for 1 point. Accreditation number: CX090001.
- PSA is authorised by the Australian Pharmacy Council to accredit CPD activities for pharmacists that may be used as supporting evidence of continuing competence.

To be awarded 1 CPD&PI point for each module you must complete the following steps:

1. Read the therapeutic brief.
2. Consider how the information in the therapeutic brief relates to your veteran patients.
3. Consider how you can use the information in the therapeutic brief and complementary veteran brochure to benefit your veteran patients.
4. Complete the accompanying Response Form, INCLUDING writing your 6-digit PSA membership number in the designated boxes.
5. Return the accompanying Response Form in the Reply Paid Envelope.

Points will be allocated for participation from Module 7 onwards.

For more information regarding the PSA CPD&PI program go to www.psa.org.au/cdpi

Australian Association of Consultant Pharmacy (AACP)
Continuing Professional Development Program

To be awarded 1 CPD point for each module you must complete the following steps:

1. Read the therapeutic brief.
2. Consider how the information in the therapeutic brief relates to your veteran patients.
3. Consider how you can use the information in the therapeutic brief and complementary veteran brochure to benefit your veteran patients.
4. Return the accompanying Response Form in the Reply Paid Envelope.

Points will be allocated for participation from Module 11 onwards.

For more information regarding the AACP CPD&PI program go to www.aacp.com.au

The Society of Hospital Pharmacists of Australia (SHPA)
Continuing Professional Development (CPD) Program

To be awarded 1 hour of CPD credit for each module you must complete the following steps:

1. Read the therapeutic brief.
2. Consider the "Key Points" when reading the brief, as these are the learning objectives for each module.
3. Consider the therapeutic brief in the context of any consumer medication information, written or verbal, that you will provide for patients.
4. Use the therapeutic brief as a discussion point, if you have students or colleagues with whom you work.
5. Document any outcomes or change in knowledge that the therapeutic brief has provided in your SHPA CPD Activity Record and retain in your CPD folio.

Points will be allocated for participation from Module 3 onwards.

For more information regarding the SHPA CPD program go to www.shpa.org.au
