Veterans’ MATES publications

Medicines can affect thermoregulation and accentuate the risk of dehydration and heat-related illness during hot weather.
http://www.ncbi.nlm.nih.gov/pubmed/?term=medicines+can+affect+thermoregulation+and+accentuate+the+risk+of+dehydration

Association between Ophthalmic Timolol and Hospitalisation for Bradycardia.
http://www.hindawi.com/journals/joph/aa/567387/

Multiple Anticholinergic Medication Use and Risk of Hospital Admission for Confusion or Dementia.

Safe use of statins in elderly people.

Association between use of multiple psychoactive medicines and hospitalization for falls: retrospective analysis of a large healthcare claim database.

Optimising therapy for patients with neuropathic pain.

Risk of medication-associated initiation of oxybutynin in elderly men and women.

Proton pump inhibitors and the risk of pneumonia: a comparison of cohort and self-controlled case series designs.
Home Medicines Reviews: Extent of Uptake by High-Risk Veterans.

Bridging evidence-practice gaps: improving use of medicines in elderly Australian veterans.

What Analgesics Do Older People Use Prior to Initiating Oxycodone for Non-Cancer Pain? A Retrospective Database Study.
Gadzhanova S, Bell JS, Roughead EE.
Drugs & Aging 2013 Sep 4, 10.1007/s40266-013-0115-7

Prescribing for older people with chronic renal impairment.
Australian Family Physician. 2013 Jan/Feb; Vol 42, No 1/2

Managing glaucoma in those with co-morbidity: not as easy as it seems.
Roughead, EE, Kalisch, LM, Pratt, NL, Killer, G, Barnard A, Gilbert, AL.

Osteoporosis Pharmacological prevention and management in older people.
Australian Family Physician. 2012 Mar; Vol 41, No 3

Anticholinergic and sedative medicines - Prescribing considerations for people with dementia.
Australian Family Physician. 2012 Jan-Feb;41(1-2):45-9

Prescriber Feedback to Improve Quality Use of Medicines among Older People: the Veterans' MATES Program.
Bell JS, Kalisch LM, Ramsay EN, Pratt NL, Barratt JD, LeBlanc T, Roughead EE, Gilbert AL.
Journal of Pharmacy Practice and Research, Volume 41, No. 4, 2011, 316-319

A self-controlled case series to assess the effectiveness of beta blockers for heart failure in reducing hospitalisations in the elderly.
Ramsay EN, Roughead EE, Ewald B, Pratt NL, Ryan P.
BMC Medical Research Methodology. 2011 Jul 18;11:106
http://www.ncbi.nlm.nih.gov/pubmed/21762536?dopt=Citation
Pratt N, Roughead EE, Ramsay E, Salter A, Ryan P.
Drug Safety 2011 Jul 1;34(7):567-75

Collaborative home medicines review delays time to next hospitalization for warfarin associated bleeding in Australian war veterans.
Journal of Clinical Pharmacy and Therapeutics 2011 Feb;36(1):27-32

Prevalence of preventable medication-related hospitalisations in Australia: an opportunity to reduce harm.
International Journal for Quality in Healthcare Jan 2011
http://www.ncbi.nlm.nih.gov/pubmed/22495574?dopt=Citation

Use of health services and medicines amongst Australian war veterans: a comparison of young and elderly, near centenarians and centenarians.
Roughead EE, Kalisch LM, Ramsay EN, Ryan P, Gilbert AL.
BMC Geriatrics 2010 Nov 4;10:83

Prevalence of potentially hazardous drug interactions amongst Australian veterans.
Roughead EE, Kalisch LM, Barratt JD, Gilbert AL.
British Journal of Clinical Pharmacology 2010 Aug;70(2):252-7

Improving heart failure outcomes with pharmacist-physician collaboration: how close are we?
Kalisch LM, Roughead EE, Gilbert AL.
Future Cardiology 2010 Mar;6(2):255-68

Differential impact of NSAIDs on rate of adverse events that require hospitalization in high-risk and general veteran populations: a retrospective cohort study.
Pratt N, Roughead EE, Ryan P, Gilbert AL.
Drugs & Aging. 2010;27(1):63-71

Continuity of care: when do patients visit community health care providers after leaving hospital?
Roughead EE, Kalisch LM, Ramsay EN, Ryan P, Gilbert AL.
Internal medicine journal 2009 Oct 22
The effectiveness of collaborative medicine reviews in delaying time to next hospitalisation for heart failure patients in the practice setting: results of a cohort study.
Elizabeth E. Roughead, John D. Barratt, Emmae Ramsay, Nicole Pratt, Philip Ryan, Robert Peck, Graeme Killer, Andrew L. Gilbert.
Circulation: Heart Failure 2009 Sep;2(5):424-8

Proton-pump inhibitors and the risk of antibiotic use and hospitalisation for pneumonia.
Roughead EE, Ramsay EN, Pratt NL, Ryan P, Gilbert AL.
Medical Journal of Australia 2009 Feb 2;190(3):114-6

Medication adherence, first episode duration, overall duration and time without therapy: the example of bisphosphonates.
Roughead EE, Ramsay E, Priess K, Barratt J, Ryan P, Gilbert AL.
Pharmacoepidemiology and Drug Safety 2009 Jan;18(1):69-75

NSAID use in individuals at risk of renal adverse events: an observational study to investigate trends in Australian veterans.
Roughead EE, Ramsay E, Pratt N, Gilbert AL.
Drug Safety 2008;31(11):997-1003

Reducing the risk of adverse thrombotic events - The role of aspirin and clopidogrel.
Leslie Jackowski, Nigel Stocks, Debra Rowett.
Australian Family Physician Sept 2008 Vol 37,(9)689-784
http://www.racgp.org.au/afp/200809/28827

Medication Use by Australian War Veterans in Residential Aged-Care Facilities.
Elizabeth E Roughead, Andrew L Gilbert, Michael C Woodward.
Journal of Pharmacy Practice and Research Vol 38, No. 1, March 2008

Beta blockers in systolic heart failure.
Leslie Jackowski, Roshmeen Azam.
Australian Family Physician March 2008 Vol 37, (3) 137-139
http://www.racgp.org.au/afp/200803/29059

Diabetes processes of care in the Australian veteran population.
Roughead EE, Barratt J, Gilbert AL, Peck R, Killer G.
Diabetes Research and Clinical Practice 2008 Feb;79(2):299-304
Lipid lowering therapy for adults with diabetes.
Leslie Jackowski, Josephine Crockett, Debra Rowett.
Australian Family Physician Jan/Feb 2008 Vol 37, (1/2) 39–41

Improving medication safety: influence of a patient-specific prescriber feedback program on rate of medication reviews performed by Australian general medical practitioners.
Roughead E, Pratt N, Peck R, Gilbert A.
Pharmacoeconomics and Drug Safety 2007 Jul;16(7):797-803

Trends over 5 years in cardiovascular medicine use in Australian veterans with diabetes.
Roughead EE, Pratt N, Gilbert AL.
British Journal of Clinical Pharmacology 2007 Jul;64(1):100-4

Potentially inappropriate prescribing among Australian veterans and war widows/widowers.
Roughead EE, Anderson B, Gilbert AL.

Antidepressants: prevalence of duplicate therapy and avoidable drug interactions in Australian veterans.
Roughead EE, McDermott B, Gilbert AL.

Veterans’ MATES publications – PhD Students

Predictive performance of four frailty measures in an older Australian population.
Imaina S. Widagdo, Nicole Pratt, Mary Russell and Elizabeth E. Roughead.

How common is frailty in older Australians?
Widagdo I, Pratt N, Russell M and Roughead L.
http://www.ncbi.nlm.nih.gov/pubmed/?term=How+common+is+frailty+in+older+Australians%3F

Psychoactive medicine use and the risk of hip fracture in older people: a case-crossover study.
Michael J. Leach, Nicole L. Pratt and Elizabeth E. Roughead.
Pharmacoeconomics and drug safety (2015)
Published online in Wiley Online Library (wileyonlinelibrary.com) DOI: 10.1002/pds.3785
http://www.ncbi.nlm.nih.gov/pubmed/?term=Psychoactive+medicine+use+and+the+risk+of+hip+fracture+in+older+people%3A+a+case-crossover+study
Medicine use among the elderly before and after hip fracture. Australian Journal of Pharmacy.
Leach MJ, Pratt NL, Roughead EE.
Australian Journal of Pharmacy. 2014; 95(1125): 74-76 [Republished by the Society of Hospital Pharmacists of Australia]

Medicine use among older Australians before and after hip fracture.
Leach MJ, Pratt NL, Roughead EE.
http://publishing.realviewtechnologies.com/?iid=86502&startpage=page0000074&xml=ajp.xml

Choice of observational study design impacts on measurement of antipsychotic risks in the elderly: a systematic review.
Pratt N, Roughead EE, Salter A, Ryan P.

Factors associated with choice of antipsychotic treatment in elderly veterans: potential confounders for observational studies.
Pratt N, Roughead EE, Salter A, Ryan P.

Pratt N, Roughead EE, Ramsay E, Salter A, Ryan P.
Drugs & Ageing 2010 Nov 1;27(11):885-93

Antipsychotics and the risk of death in the elderly: an instrumental variable analysis using two preference based instruments.
Pratt N, Roughead EE, Ryan P, Salter A.

Brand substitution or multiple switches per patient? An analysis of pharmaceutical brand substitution in Australia.
Kalisch, LM, Roughead, EE, Gilbert, AL.

Pharmaceutical brand substitution in Australia--are there multiple switches per prescription?
Kalisch, LM, Roughead, EE, Gilbert, AL.
