## Looking for General Practice Accredited CPD hours?

### ➤ CPD hours for Educational Activities, Reviewing Performance and Measuring Outcomes

Participating in Veterans' MATES topics provides you with the opportunity to receive accredited RACGP and ACRRM hours for educational activities, reviewing performance and measuring outcomes.

Targeted GPs can claim Accredited CPD hours for Veterans' MATES topics by completing the following TWO steps:

#### STEP ONE: Self-evaluate and reflect:

#### STEP TWO: Evaluate and document your CPD activity:

1. Keep a record of the patients identified in the Veterans' MATES topic.
2. Record changes made to their management and patient outcomes.
3. Return your completed response form in the prepaid envelope or use the unique link provided via eDelivery to submit online. A certificate confirming your participation and the number of patients listed in the feedback will be provided.
